Student Conduct

At the discretion of the school, a student may be dismissed from the school for conduct deemed to be detrimental to the well-being of fellow students, instructors, or staff. The school is dedicated to preparing our students with skills needed for today's workforce. Students are expected to conduct themselves in a professional and ethical manner at all times. Offensive or

suggestive language towards staff or other students, or cheating are grounds for dismissal. Incidents such as intoxication, drugs, alcohol on school premises; behavior creating a safety hazard to other persons at school, disobedient or disrespectful behavior to staff members; or any other stated or determined infraction of conduct will be considered or lead to dismissal without a refund. Any student who violates the standards of conduct must meet with the director to determine if expulsion is warranted.

Method of Payment

We accept cash, checks, money orders, debit, and credit cards. Checks should be made payable to the Cultural Diversity Foundation.

Payment Information

All payments will be made at the time of registration for all classes.

Tuition

Tuition is \$130 for most courses. Please review the catalog.

Standards of Progress:

Students are assessed through each class and given an end-of-course exam (EOC). The minimum passing score for each EOC is 80%. Any student who scores less than 80% must attend additional training at the convenience of the school and retake the EOC. If the student scores less than 80% a second time, the student must be evaluated by the director to determine if a new training plan can be accomplished or if the student should be expelled. Any student expelled for failure to meet the standards of progress must re-enroll in the course should they wish to continue.

Attendance:

Attendance will be taken at the beginning and end of each 8-hour course to verify student enrollment. Due to the short-term nature of the school's programs, students must attend 100% of all scheduled class meeting times. If a student is tardy or absent more than 10% of any scheduled class, the time must be made up at the convenience of the school and must be completed prior to graduating.

Classroom Location:

500 N. Rainbow Blvd, Room 222, 2nd floor
